DESCRIPTION

Used 75ft Steel Model Bow Tug For Sale. Conversion to live-aboard yacht started but not completed. Ex US Army ST-Tug. 600HP main engine. Main engine zero hours, reported in excellent condition. The ST's had no inside passage to the wheelhouse, but with the new wider wheelhouse, we now have inside stairs. Farymann Diesel for 8 kW belt driven gen. (No gen yet). Kobelt electronic engine controls (new). New wheelhouse. Engine room cleaned and painted. Extended deckhouse. All new machinery set in place but not connected. This tug is ready for blast and paint. This Tug went thru a major conversion to make her a very comfortable live aboard with the ability to work as tug. She should be capable for being approved by the USCG upon completion for commercial service. Layout set for master stateroom and head forward, then large galley area, then Saloon. Below decks laid out for head forward, bench and work area, then port and starboard staterooms. This is the old crews' quarters. It has been cleared out and ready for build. Up from there brings you just forward of the galley. Materials, tools, equipment, line, etc are included

Details pertaining to this vessel are obtained from sources believed to be reliable, however we can not guarantee their accuracy. Buyers should instruct surveyors and agents to investigate details for validity. All offers are subject to prior sale, changes in price and / or inventory, and without notice.
