DESCRIPTION

100ft Single Screw Model Bow Tug For Sale. Rigged ship docking. Currently laid up since 2025.(1) EMD12-645 main 3,000 hp with 50 tons bollard pull. Has towing machine on aft deck. Kort Nozzele Triple-vane rudder. Retractable 640hp azimuthing drive. Basic electronics. The vessel performed most of her ship assist work with the stern to the ship, thus allowing the forward z-drive to contribute to maneuvering the tug while adding horsepower to any maneuver.

Details pertaining to this vessel are obtained from sources believed to be reliable, however we can not guarantee their accuracy. Buyers should instruct surveyors and agents to investigate details for validity. All offers are subject to prior sale, changes in price and / or inventory, and without notice.
