OTHER EQUIPMENT

AIS

DESCRIPTION

Used 150ft Steel Supply Research vessel for sale. Expired ABS loadline certs. Set up for research. Has moonpool, stern capstans, work shop, centrifuge, watermaker and more. May listen to offers. 3900 Manitowoc crane on deck. This boat will need a good bit of work to get it ocean ready to sail. The pictures attached are older and do NOT reflect the current condition of the vessel. We are told both main engines will need work and are not in operation. Both generator engines are either missing or not in operation , the gen ends are in place. We are unclear as to what on the vessel is fully functional. It is what you would expect for a 150ft Supply vessel at this price point.

Details pertaining to this vessel are obtained from sources believed to be reliable, however we can not guarantee their accuracy. Buyers should instruct surveyors and agents to investigate details for validity. All offers are subject to prior sale, changes in price and / or inventory, and without notice.
